

## Sport

Soccer is an international sport. Many players from around the world play this sport in their countries and in other countries. Some soccer players leave their countries of birth to play soccer in other countries. Other soccer players have ancestors that came from a different country and settled in a new country.

In this module, you will read about two famous soccer players: Pele and Charly Musonda, who now work and live in a country different from the where their families and ancestors came from.
